DEAR MADAM:—
Speaking of CORRECT STYLE—do
you suppose that Nemo
Cornets could have invaded
and conquered PARIS if
they were not SUPERIOR
to ready made Parisian to ready-made Parisian

And, as it is a fact that NO OTHER American corset has ever gained the alightest recognition in that great fashion centre, isn't it American corset equals the Nemo as a STYLE corset? Please think that over.

Of course you know-nearly every woman knows—that the Nemo never had an equal for DURABILITY, which means ECONOMY; and as for comfort, special service, features and fabrics, the Nemo was remove competition long ago.

There's NO SUBSTI-TUTE for the Nemo not even a good imitation.
